

Sparkle Squad Program™

by iSparkle Designs

Become a Sparkle Squad Today to both Shine and Save!

Each Sparkle Squad receives one-on-one attention, custom designs, and the option of cost saving rebates or fund raising reimbursements. We work with you to create custom apparel that sparkles, glitters, and sets your team and its supporters apart from the crowd.

Team Program Basics

- An iSparkle designer works directly with you to create the perfect custom rhinestone designs tailored especially for your team.
- A promotional ordering time period that is convenient for you and your group members is set, typically 15 - 30 days.
- Samples of your team designs made with glittering rhinestones are provided on sample apparel and fabric swatches for the team to display during the promotional period.
- For easy communication, a flier detailing your custom designs and options is created for you to print out or e-mail to your group members.
- Your custom designs are placed directly on the iSparkle Designs website for your group members to order. No hassle of collecting orders, paperwork, or payments!
- Orders are shipped together to one location for easy pick up. Members even receive a discounted shipping rate!
- Depending on the order volume throughout the promotional period, rebates or reimbursements of up to **30%** can be earned by your group!
- Best of all, your team will sparkle in unique spirit wear that lets them shine both inside and out!
